

ITS Midwest 2017 Annual Meeting - Call for Abstracts

The ITS Midwest Conference Outreach Committee invites you to submit an abstract for presentation at our 2017 Annual Meeting to be held September 28th & 29th at the Crowne Plaza Downtown, Columbus, Ohio.

The annual meeting theme, “Connecting Smart Cities” looks forward to a connected environment for mobility, facilitated by intelligent transportation and communications technologies. Please join ITS Midwest in presenting your thoughts and your work to contribute to a shared vision of a smart and connected transportation future.

Topics include: Smart Cities, connected and automated vehicles, traffic management and operations, multi-agency collaborations, work zone ITS, safety innovations, commercial vehicle operations, transit applications, incident management, federal updates, and new technologies. All suggested topics will be considered by the committee.

Abstract Submission Form

Please use this on-line form to submit your abstract. If you have questions please contact David Zattero at 773-802-1541. Submission deadline is August 7, 2017.
