

MEMBERSHIP APPLICATION / RENEWAL FORM

Join ITS Midwest today and play a role in shaping the future of transportation!

Membership in ITS Midwest is open to organizations and individuals. Chapters like ITS Midwest play a key role in outreach, education, and support for ITS technical and planning activities. Annual membership fees are \$250 for each organization or \$75 for each individual. Members of ITS America are entitled to up to three free chapter memberships, based on their ITS America dues, and may select ITS Midwest as one of their free chapters. An organization which is not a member of ITS America (or one that has used up their complimentary chapter memberships) may join the ITS Midwest chapter for \$250 per year. Individuals not affiliated with an organization may become members of the chapter for a reduced cost of \$75 per year.

We encourage you to join or renew online. It's fast and convenient, provides all membership options, and includes the ability to pay by check or credit card.
